

## Eco-Cellulose Face Mask - Anti-Ageing & Moisturising (25ml)

*Suitable for all skin types especially mature skins.*

*Recommended use: once or twice a month.*

**100% natural; 97.9% certified organic**

### Description

This face mask is designed to provide effective anti-ageing benefits through the revolutionary and patented mechanism of the all natural Eco-Cellulose sheet. The certified organic Aloe Vera gel essence contains a highly concentrated 100% botanical formulation of plant and marine extracts that help reduce the appearance of fine lines.

### Key ingredients

The **Frankincense** and **Patchouli** essential oils are well known for their excellent skin cell regeneration capabilities. They are also a proven treatment for wrinkles and may help as a lymphatic tonic.

The **Chamomile** oil is renowned for calming a wide range of skin conditions. The collagen enhancing **Alfalfa** and Vitamin C rich **Rosehip Oil** combine to help provide long term protection from the appearance of fine lines and the visible signs of ageing and sun damage.

### Use

Unfold the mask and then carefully remove the non-woven inner layer. Place the mask on your face with the white non-woven outer layer on the outer side. Press into the face contours and then remove the white non-woven outer layer carefully leaving the cellulose layer. Position the cellulose mask middle clear layer and massage smoothly into the face contours. Leave for 30 to 40 minutes. Remove the cellulose mask and massage the face with any remaining certified organic gel essence.
