

Cell Activator Face Night Cream (50g)

Suitable for all skin types especially mature or damaged skins.

100% natural; 97.61% certified organic

Description

This rich bio-active Face Night Cream is formulated from an optimal blend of both natural and certified organic ingredients. Regular use will help replenish and hydrate the skin whilst you sleep to reduce the appearance of fine lines and other signs of ageing and leave your skin feeling refreshed and healthier looking.

Key ingredients

The **Resveratrol** derived from **Red Grape** combines with the **Vitamin E** to provide strong overnight anti-oxidant functionality whilst the **Rosehip Oil** is renowned for its high Vitamin C delivery potential.

The revolutionary **Green Pea** peptide extract provides bio-active plant stem cell activators that help maintain growth and renew the skin.

Use

Apply a small amount of Face Night Cream on cleansed moist skin and massage gently into the face and neck until fully absorbed. Apply the cream before retiring for the day.
