

Eco-Cellulose Eye Patches – Fine Lines & Hydrating (5ml)

Suitable for all skin types especially mature or damaged skins.

Recommended use: once or twice a month.

100% natural; 98.05% certified organic

Description

The effective dermal transmission of the blend through the revolutionary and patented mechanism of the all natural Eco-Cellulose Eye Patches sheets may help reduce redness, puffiness, dark circles and bags under the eyes.

Key ingredients

The certified organic blend of **Lavender**, **Frankincense** and **Jasmine** essential oils are historically used in skincare for their skin cell regenerating, hydrating, rejuvenating and anti-inflammatory effects.

The **Green Pea** peptides provide bio-active plant stem cell activators helping reduce or delay the formation of fine lines and wrinkles.

Use

Unfold the mask and then carefully remove the non-woven inner layer. Place the mask on your face with the white non-woven outer layer on the outer side. Press into the face contours and then remove the white non-woven outer layer carefully leaving the cellulose layer. Position the cellulose mask middle clear layer and massage smoothly into the face contours. Leave for 30 to 40 minutes. Remove the cellulose mask and massage the face with any remaining certified organic gel essence.
